

Foothills Credit Union Direct Deposit

If your employer offers Direct Deposit you can have your paychecks automatically deposited into your Foothills CU account. No matter where you're at on payday your money will be safely deposited into your account. You will be able to verify this deposit with online banking, the mobile banking app, your monthly statements, by calling (720-962-8200)/visiting the credit union, or calling the 24 hour bank phone line at 720-962-9420.

You may also use Direct Deposit for Social Security income. For more information, visit/call Foothills Credit Union or contact the Social Security Administration at 1-800-772-1213.

To sign up for Direct Deposit complete the form below. Then give this to your payroll administrator or let us send it to your employer for you.
